Re: *Rules and Regulations Implementing the Truth in Caller ID Act of 2009*, WC Docket No. 11-39

Dear Ms. Dortch:

On June 15, 2011, I spoke on the phone with Angie Kronenberg, Wireline Legal Advisor to Commissioner Clyburn, to discuss the above-captioned proceeding. In particular I expressed support for the US Telecom's comment that an exemption should "apply to telecommunications carriers or IP-enabled voice service providers that merely transmit *unaltered* caller ID information received from another carrier, provider, or customer."¹ I also expressed support for the definitions offered by the Commission in footnote 2 of the *Notice of Proposed Rulemaking* in this docket.²

Please feel free to contact me with any further questions.

Sincerely,

/s/
